

## Ancillary Services

What exactly is an ancillary provider?

Webster's Dictionary defines ancillary as "subsidiary or supplemental."

Ancillary providers in the CHRISTUS Spohn Health Network offer services such as durable medical equipment, prosthetics, orthotics, diabetes supplies and mastectomy supplies.

**CHRISTUS Spohn Health Network does not verify benefits or eligibility.**

Please note that it is important to confirm with your Third Party Administrator (TPA) that your health benefit plan covers these types of services. Any Hospital Based Services including *Physician office visits may be billed as Outpatient Services. It is therefore very important to verify benefits.*
